Issues with Preset loupe view in Lightroom

by icareklam in Lightroom Classic

Hi, I have an issue with my presets. I edit them with presets and the issue is that, the preview when hovering over a preset to see how the result will be. Differs from t...

GPU Optimization

by michaelm98942039 in Lightroom Classic

Hello Everybody. Since 2018, I had to use a config.lua file to get my Nvidia GT750M working in **OpenGL**, with the line "Develop.PreferOpenGL = true" <https://helpx.adobe.com/lightroom-c...>
