To the Parent(s)/Guardian(s) of _____,

This letter is a follow up to the **Tier 3 Entrance Parent Notification Letter** you have received. Gardner Public Schools utilizes a Multi-Tiered System of Support (MTSS) with embedded Positive Behavior Intervention Supports that aim to provide all students with varied levels of supports and interventions based on identified need.

After review of your child’s data, classroom observation and information gathered from team members including but not limited to teacher and counselor, **the following interventions have been selected for your child** as part of our **Tier 3** system of response:

Brief FBA

Behavior Incentive Plan

Attendance Contracts

Personal Check-in

Each intervention is described in more detail below. If there are individualized notes regarding your child's interventions, they will be attached separately.

Note: **Tier 2** level supports are in addition to Tier 1 supports and include more targeted support to groups of students who have met the criteria for a little more help. **Tier 3** level supports are in addition to Tier 1 and Tier 2 and are more intensive, individualized supports for those students who meet criteria and/or have not made adequate progress while receiving tier 2 support.

The MTSS team will progress monitor the effectiveness of the intervention(s) identified above for your child and inform you if there are any changes to the identified intervention(s).

If you have any questions/concerns or would like more information regarding the details of the intervention(s) identified for you child and/or the MTSS process, please contact:

Sincerely,
