H EH&S,

The IACUC application can be downloaded ready for your review. Please contact the PI with any questions and ccacuc@ucsc.edu.

Please let acuc@ucsc.edu know whether or not there are any biosafety/field safety issues that need attention before the protocol/amendment/annual update can be approved.

Thanks,

Dear Professor [REDACTED],

Your IACUC protocol [REDACTED] (attached pdf) references using MS-222. The UCSC IACUC's SOP on using MS-222 is attached. In an effort to create consistency among protocols, please state in the attached amendment form "We will handle MS 222 according to the approved ACUC SOP on MS 222" and return the signed form to iacuc@ucsc.edu when possible

Thank you,
