

## body-start-tag is in place

```
5 <title>tif</title>
6 </head>
7     <link rel="stylesheet" type="text/css" href="tif_sty
8 ▼ <body>
9 ▼     <div class="tif-Logo">
10 ▼     <a class="tif-Wortmarke">
11         </div>
16
17 ▼     <div class="LABW">
18 ▼     <a class="LABW-Logo">
19         
20     </a>
```

## body-ending-tag is also existing

```
64     
68
69     Tag must be paired, no start tag: [ </body> ] r>
70 </body>
71 </html>
72
73
```

body

**The above notice of error is beyond my understanding**  
**The delition of the ending-tag leads not to an error message**
