A stylized orange excavator arm is integrated into the logo. The arm starts at the top left, extends horizontally to the right, then bends downwards and to the left to form the upper part of the letter 'X'. It then extends horizontally to the right again, forming the upper part of the letter 'C'. The arm ends with a bucket at the top right. The letters 'P', 'I', 'R', 'A', and 'C' are also orange and rendered in a bold, sans-serif font.
