Let me take care of the mess

★ **TOOT SWEET** ★

# Let me take something off your plate.

Your home. It's the heart of it all, isn't it? The place where you kick off your shoes, laugh with your loved ones, and let your hair down after a long day. But let's face it, keeping that heart beating strong can be a challenge. The everyday quirks can be enough to make you say "toot sweet."

I bring all the tidy, none of the hassle. So you can get back to what's truly important.

## A Clean Home

From \$40/H

I clean with meticulous detail, no skirting board or common surface will go untouched. I believe every home is unique, and a clean should be no different. Whether there's an extra basket of ironing, cleaning up the toys or keeping the spices in order - I'm here to make things just little that bit easier.

## An Organised Home

From \$50/H

I am the answer if you're looking for someone to create a sense of order in your home. Whether it's a chaotic pantry, an unruly linen cupboard or if it's all getting a bit out of control - I can help.

My process :

Observe > Unpack > Deep Clean > Categorise > Create Order

## Someone at home when you're not

From \$10/D

Whether you're away for a week or a longer escapade, I'm here to keep your pets & plants company. I love creatures great & small, so you can relax and enjoy your time away, knowing they will be in safe hands. Added bonus, I'll give the house a "zhuzh" before I leave.

## Why don't we start with a chat?
