

READ ABOUT WHAT MONIKA SAYS ABOUT HER DAY.
WRITE USING **SHE** INSTEAD OF "I"

I go to college by bus. I always try to be on time. I start at 9:15 and finish at 2:30. At home I do my homework and watch TV.

Sometimes I go shopping to buy some food.

I never have any money left by Friday so I borrow from my friend.

At the weekend I like going to the park. I like to walk with my friends.

I want to save some money because I would like to go on skiing holiday in February. Example: *She goes to college by bus.*
