

Luigi Boccherini

Sonata

for cello and basso
in B-flat major
OP. POST.

Forgotten Gems

The **Forgotten Gems** series strives to unearth unjustly buried masterpieces of the classical music repertoire. These pieces have never been published before and come from rare manuscript sources. All the editions in this series come in a reference score and in as many sets of parts as found with the source. Additional editorial contribution by renown performers is added to ensure a unique experience.
