WHAT TO WEAR GUIDE

WELCOME

Your Senior Portrait Session will be the most fun and unique photo session you will ever have! It is a once in a lifetime experience to capture this amazing milestone in your life!

This "What to Wear" guide will help you accurately reflect your personality and make your photos stand out. Your choice of outfits and accessories can make a huge difference! It is my hope that this resource will help you prepare for your big day!

SHINE IN YOUR BEST!

At least one of your outfits should be dressy. Pick something special to commemorate this once-in-a-lifetime event! You want to look your very best! Long flowing dresses and sharp, tucked-in shirts and suits lend themselves to an elegant, classic look! High-heels will make your outfit and elongate your legs! A sophisticated style helps you look your finest and ensures that your pictures stay timeless down the road.
